

OPERATION SNOWBALL FAMILY DAY

For families of teens who join us for the Operation Snowball weekend, we host a Family Day presentation and small group session. For many teens, the Snowball experience is one of the most memorable events during their high school career, and we want to create an opportunity for them to share that with you!

The impact of this program is demonstrated by 40+ years of youth and adult volunteers working together to reach more than 14,000+ teen participants, many of whom continue to make an impact in our community today! Over the years, it has become a tradition of Naperville Operation Snowball to include parents, guardians, and siblings in the closing sessions of the weekend, where they may also experience some of the weekend's activities.

Registration will begin on Sunday at 1:00 p.m. at Camp Henry Horner, 26710 W Nippersink Rd, Ingleside, IL 60041. Signs will be posted to help you find your way. We think you will find this session not only informative, but also fun. Camp Henry Horner is a beautiful camp setting, so please wear comfortable clothes and shoes and come prepared to relax and enjoy the great outdoors.
